Gentlemen:

Enclosed for your review is the index to the Administrative Record file which had been compiled to support the Record of Decision for Operable Unit 16. The index is being transmitted at this time to allow the opportunity to review the file and suggest any modifications should they be necessary. We request that you compare the enclosed index to your project file and inform us if documents need to be added, deleted, or that no modifications of the file are necessary. The file is in chronological order, and includes an enclosure, listing documents which have been obtained recently to be added to the official index.

If you have any comments or additions please forward them by September 6, 1994, and if you have any questions please call Bob Birk at 966-5921.

Sincerely,
